ITALIAN TROOPS WILL FIGHT ON THE PLAINS OF PICARDY

Have Already Arrived on West
Front, it is Announced at Em-
bassy in Washington

CAUSES GREAT ENTHUSIASM
Six Different German Divisions Used
in Unsuccessful Attacks on
Givenchy Sector

Washington, April 19.—Italian troops have arrived in France, it was officially announced at the Italian embassy here today. Cables from Rome stated that the forces of General Diaz are to fight shoulder to shoulder with the British, French and Americans on the plains of Picardy.

The announcement was received with great enthusiasm by the Italian parliament and even the Socialist delegation participated in the lengthy demonstration. Rome was also enthusiastic.

Premier Orlando in addressing parliament, pointed out that the Italian forces formed the right wing of the united army of the Allies, and that it is highly fitting that a portion of the troops on this front be sent to the aid of a hard pressed sector.

Officials of Rome consider the move of the utmost importance and it is declared that the duty of military operations will involve the greatest possible political and moral unity among the four great powers.

London, April 19.—"Determined and costly assaults by the enemy in fighting before Givenchy and elsewhere only secured a limited sitting at one or two points in our more advanced positions," Field Marshal Haig reported today.

"The enemy is known to have suffered heavy casualties from our artillery fire before opening his attacks. His losses today were severe. Attacks south of Kemmel were repulsed yesterday. Others in the evening also were broken up by our artillery and machine gun fire."

"Six different German divisions were employed, in unsuccessful attacks yesterday on the Givenchy sector. The battle sector last night was comparatively quiet on the British front. A few prisoners and machine guns were captured at different points."

Dispatches from the front stated that the attack on the Givenchy front in which 125,000 men were engaged did not gain an inch. The German dead were heaped in piles.

Paris, April 19.—Rheims is completely in ruins as a result of the

Commander Cyclops May Be A German

Navy Department Officials Refuse to
Believe That Commander Worley
Had Proven Disloyal—Suspicious
Aroused by Remark of Wife That
"Something Sensational Might be
Expected Within 24 Hours."

Washington, April 19.—Navy department officials here refuse to believe any theory involving suggestions that commander Worley of the lost Collier Cyclops had proven disloyal. They say navy men gave the report that Worley was a German. He swore he was born in California, officials said that he had no knowledge of the alleged remarks of his wife at Norfolk that "something sensational might be expected within 24 hours."

Fred Beale Jr., of this city was a second class seaman on the Cyclops, which was reported last Sunday as missing since March 4.

DISTRICT MEETING TO BE HELD IN MAY

Red Cross Gathering Here Will be
One of Many to Precede War
Fund Drive May 20

E. B. THOMAS ON COMMITTEE

The district meeting of Red Cross, originally planned to be held here on April 24, will instead be held here the first part of May and will be one of the chain of district meetings which will be held all over the state preceding the Red Cross war fund drive to continue from May 20 to 27. Partial plans for these meetings were made at the meeting of the state committee of thirteen appointed to conduct the war fund drive, of which E. B. Thomas, chairman of the Rush county Red Cross chapter, is a member.

The sixth district, of which Rush county is a part, includes every county in the sixth congressional district together with Decatur. These counties will be represented by the chapter heads at the district meeting, which will also be attended by state officers of the society.

Indiana's allotment in the war fund drive is \$2,310,000 and the important question which will arise at the district meeting, will be raising the district's allotment with the greatest speed and unity.

Rushville Barely "Misses" Visit From Doug. Fairbanks

He Promised Tom Geraghty to Come
Here While on Loan Tour But
Washington Intervenes

A FEW NICE WORDS ABOUT T. G.

Rushville narrowly "missed" having smiling "Doug" Fairbanks, the personification of the twentieth century version of "pep," "in her midst" to advertise the Third Liberty Loan.

It happened something after this fashion:

Fairbanks pulls off his hair-raising stunts before the camera for the amusement of millions of movie fans out at Hollywood, California. It so happens that Tom J. Geraghty, formerly of Rushville, also makes his residence in Hollywood, having proved his right to reside in the colony of screen stars by the scenarios he

has been writing.

Naturally Tom knows "Doug": in fact, plays tennis with him regularly and is so chummy that he could impose on him by extracting a promise that Fairbanks would visit Rushville during his tour of the middle-west during the bond campaign. But the best of well-laid plans miscarry, as is disclosed by the following introduction to a letter received by the Republican from Fairbanks' press agent, Bennie Zeidman, who is sojourning at French Lick Springs:

"When I left California three weeks ago, I had absolute instructions from one Tom J. Geraghty to be sure and bring Douglas Fairbanks to Rushville as part of his Liberty Loan tour. Such were really our intentions until Washington changed our itinerary, and I therefore want to make formal apologies, in addition,

FIVE GRADUATE AT MANILLA

Commencement Exercises of Walker
Township High Schools

Five were graduated at the annual commencement of the Walker township high schools at Manilla last night. The address on the subject, "Dying at Third," was delivered by Dr. Roscoe C. Stott of Franklin college. The graduates were Hazel Brown and Frank J. Cassidy of Homer and Howard Heaton, Delbert Swartz and Earl Hoff of Manilla. The diplomas were presented by County Supr. George and a musical program was provided by the Christian church orchestra of Rushville.

MAY 1 LAST CHANCE TO ORDER WAR HISTORIES

Subscription Must be Made to Red
Cross Book by That Time to be
Certain of One

ORDERS FROM OUT OF COUNTY

Order Red Cross war histories before May first. After that date, when they will go into the printer's hands the books will cost fifty cents instead of twenty-five, as they do now and the order will have to be placed with the printer, if he can take it, instead of the committee now in charge.

On May first, the blanks for orders which have been placed in many of the stores will be taken up. Ten days are left in which to order the book and the committee urges that Rush county citizens interested in this collection of interesting war facts place their orders during those ten days.

Orders have been pouring in re-filled out. Noticeable among the orders are the names of out-of-town persons to whom the history is to be sent.

SCHOOL ATTENDANCE KEYNOTE OF MEETING

City and Town Superintendents Also
Make Plans to Take German
from Schools Altogether

SCHOLL ATTENDS SESSIONS

The added importance of children continuing their school work during the war was the keynote of the meeting of the city and town superintendents held in Indianapolis yesterday when the local schools were represented by Superintendent J. H. Scholl. Speakers urged that young people should continue their education and be more able to take the places of men in the army when their school work is completed.

A short summary of the amount of war work accomplished by the Indiana schools was given and the plans made whereby German should be taken from the public schools altogether. It has practically been abolished already and the only courses being pursued are those in which pupils are finishing a course of study in order to get their complete credit. The last half of second year German is the only course in the high school here at present.

Perry King was acquitted by a jury in mayor's court yesterday afternoon of the charge of speeding. He was arrested by Policeman Seaward and evidently proved to the satisfaction of the jury that the law had not been violated. The defense was that he was not exceeding eighteen miles an hour.

Miss Lorene Bell Krammes daughter of Mr. and Mrs. O. E. Krammes of south of the city who has been very ill with catarrhal fever is improving.

RUSH COUNTY IS IN 2 DIFFERENT ZONES

New System For Coal Distribution is
Explained at Meeting of County
Dealers

MUST REPORT EACH MONTH

Promise to Attempt to Avoid Last
Winter's Crisis by The Closest
Co-operation

To endeavor to avoid last year's fuel crisis by closest co-operation among dealers and by urging consumers to stock up their fuel early was the plan of the fuel dealers who met in the office of Fuel Administrator Samuel L. Trabue yesterday afternoon. Fourteen of the twenty dealers in the county who were present for the meeting, gave a report of conditions which they had been meeting and showed a willingness to do all in their power to meet any situation which might arise.

Under the zone system, Rush county is divided into two parts, the dividing line being the Big Four line from the south to Rushville and from here the Pennsylvania line to Falmouth. Dealers in towns on the east of the line have to purchase Eastern Kentucky and West Virginia coal and those on the west may buy Indiana coal. The only dealer affected by the ruling is at Glenwood and he cannot purchase Indiana coal.

On the first of every month, beginning the first of May, every dealer in the county will have to hand in to the fuel administrator a report of the coal he has sold for storage, to whom it has gone and the amount.

Consumers are being asked to aid in the fuel shortage by using at least ten per cent less coal than they have during any past year. Dealers pointed out yesterday that if every consumer would use ninety per cent of the supply of previous winters, the situation would be partially met.

DECIDES DRY LAW CONTAINS LOOPHOLE

Judge Willis of Kokomo City Court
Rules Storing of Liquor is
Not a Violation

PURPOSE MUST BE PROVED

(By United Press.)

Kokomo, Ind., April 19.—The prohibition contains a loophole by which a person may have any amount of liquor stored and escape conviction, Judge Willis of the Kokomo city court ruled today. He made the decision in the case of Henry Wilson who was arrested when a barrel of beer was found in his home.

The judge announced that after a talk with members of the Kokomo bar, he had reached the decision that unless the state can prove that there are purposes of sale, barter or gift, beyond doubt, it is not in violation of the law.

MAY MEAN REVAMPING OF AIRCRAFT PROGRAM

(By United Press.)

Washington, April 19.—That the complete reorganization of the aircraft production program is imminent was indicated today when President Wilson called off a regular cabinet meeting to confer with Secretary Baker on the airplane situation.

Estimates for congress provide an increase in the armed forces of a million men within a year. The house military committee which met with the army department officials today received a summary of the estimates.

DAMAGE SUIT IS SETTLED

Case of Milroy Stock Co. Vs C. C.
& St. L. Compromised For \$75

The damage suit of S. W. Matthews and J. L. Booth, doing business under the name of the Milroy Stock Co., against the C. C. & St. L. railroad, for \$125, was compromised in circuit court yesterday for \$75 after the jury had been summoned and was ready to hear the evidence. The plaintiff alleged the lost money by the failure of the defendant to deliver a car when they had a load of hogs ready to ship, and through the loss of one hog and crippling of another in shipment.

THREE LABORERS FOR FT. HARRISON CALLED

County Quota for Troop Movement
Beginning May 6 Received—
Taylor List About Ready

DATE OF LEAVING EXPECTED

The county army selection board today received a call from the state conscription agent for three laborers to be sent to Fort Harrison near Indianapolis in a two-day troop movement beginning May 6. The order calls for class one registrants qualified for general military service selected in the sequence of their order numbers, but strict instructions are given that no registrants skilled in any particular occupation shall be taken. Neither are farmers to be taken on this call as in others which have been received lately. The state quota on this call is 500.

The board is expecting the date of entrainment by tomorrow for the increment of 33 to be sent from here to Camp Taylor, Ky. in the five-day troop movement beginning April 26. By that time, it was stated today, the list of registrants to be called at that time will be ready.

Men placed in class one by the district board, in rulings received yesterday, can not undergo the medical examination in time to be included in the Camp Taylor increment. There are a few whose order numbers are so high that they would have to go if they had passed the physical test. They will probably be ready for the increment to be sent to Fort Thomas about May 1.

CALLS FOR MORE MARINES

Pershing's Request Causes House to
Increase Corps

Washington, April 19.—General Pershing has sent over a call for more American marines. As a result the house military committee today voted to increase the corps from 30,000 to 75,000 so those marines stationed here may be sent.

Women Pass \$100,000 Mark In Bond Campaign

Latest Reports Show \$102,650 Sold
Which is Only \$22,350 Below
County's Quota

URGE WORKERS TO KEEP BUSY

Past the one hundred thousand dollar mark and still going—show the returns from the women's Liberty Loan campaign in Rush county. Last night, \$102,650 was reported to the woman's state headquarters of the drive as a result of the bonds sold by and to women in this county. Standing as they do only \$22,350 from the mark of \$125,000, the women salesmen are being spurred on to complete this allotment which has been assigned to them as one-fourth of the county's minimum quota, before starting for the over-subscription. If the reports keep up at the speed they have for the past

BOY SCOUTS OPEN LOAN DRIVE HERE

tion in Campaign

INTENSIVE DRIVE FOR A WEEK

Walker Township Campaign Will be
Formally Opened at Patriotic
Meeting Sunday at Homer

LIBERTY BOND HONOR
FLAGS HAVE ARRIVED

Fly a Liberty bond honor flag from your window. Fifteen hundred of the little flags arrived this afternoon from the state headquarters and are at the postoffice where anyone who has purchased a Liberty Loan bond may call and get one. They are to be placed in the window and show that one or more of the persons living there own loan bonds. Only counties that have oversubscribed their quotas are eligible to have the flags. The loan workers are anxious that all homes where bonds have been purchased exhibit the honor flags.

Interest in the Liberty Loan drive in Rushville new centers in the intensive campaign of the Boy Scouts which opened this afternoon and will continue for a week. Several persons have withheld their subscriptions for Boy Scouts who had obtained promises from many of their friends.

The participation of the Boy Scouts, which is the two previous loans was an important factor, was held off by the authorities at Washington this time. No element in any of the bond drives has been more unifying than the Boy Scouts, who through their compact national organization, have been able to act as a unit.

The Scouts of all the local troops met yesterday afternoon and discussed plans for the campaign. Another meeting was to take place this afternoon at 3:15 o'clock at the First Presbyterian church when final arrangements were made for the drive. Some of the Scouts who have other work on Saturday, will canvass this afternoon following the conference, and those who will be able to devote their time to the campaign tomorrow will meet in the morning at 8:15 o'clock at the Peoples National bank where headquarters will be maintained during the drive.

The Scouts will report the progress of their campaign at headquarters where Dr. D. Ira Lambert will be in charge. An effort is being made to get some clocks to place at

AMERICANS KNOW A GOOD THING

They Come Out Strong For Phosphated Iron

Leading doctors all over the country are rapidly learning that one of the preparations they can always depend on for all blood and nerve troubles is Phosphated Iron. They have found that it gives results and can be depended upon.

Phosphated Iron has proved a real red blood and nerve builder in the Spring season when so many are all run down and dragged out, due to lack of fresh air, exercise, green foods and clogged poisoned blood. Scientists say Phosphated Iron builds up your body by building up your blood and nerves, and many physicians claim there would be few over-worked men, nervous women, bloodless old people and pale children, were the benefits of Phosphated Iron more widely known, that there is no need of anyone going around tired out, all in, nerves on edge, suffering with poor blood and lack of energy when Phosphated Iron will make you feel like a live one, make you look 100 per cent better, give you restful sleep, brace you up so you can work with ease and enjoy life once again.

Get Phosphated Iron today and start in right, you owe it to yourself and friends.

To insure physicians and their patients getting the genuine Phosphated Iron we have put in capsules. Do not take pills or tablets. Insist on capsules. PITMAN & WILSON and leading druggists Everywhere. Rushville, Ind.—(Adv.)

Rheumatism Leaves

You Forever

Deep Seated Uric Acid Deposits Are Dissolved and the Rheumatic Poison Starts to Leave the System Within Twenty-four Hours.

Every druggist in this county is authorized to say to every rheumatic sufferer in this vicinity that if two bottles of Allenru, the sure conqueror of rheumatism, does not stop all agony, reduce swollen joints and do away with even the slightest twinge of rheumatic pain, he will gladly return your money without comment.

Allenru has been tried and tested for years, and really marvelous results have been accomplished in the most severe cases where the suffering and agony was intense and pitious and where the patient was helpless.

Allenru relieves at once. Immediately after you start to take it the good work begins. It searches out the uric acid deposits, dissolves the secretions and drives rheumatic poison out of the body through the kidneys and bowels.

It's marvelous how quickly it acts. Blessed relief often comes in two days, and even in cases where the suffering is most painful all traces disappear in a few days.

Mr. James H. Allen, the discoverer of Allenru, who for many years suffered the torments of acute rheumatism, desires all sufferers to know that he does not want a cent of anyone's money unless Allenru decisively conquers this worst of all diseases, and he has instructed pharmacists to guarantee it in every instance. (Adv.)

QUICK-RELIEF FROM CONSTIPATION

Get Dr. Edwards' Olive Tablets

That is the joyful cry of thousands since Dr. Edwards produced Olive Tablets, the substitute for calomel.

Dr. Edwards, a practicing physician for 17 years and calomel's old-time enemy, discovered the formula for Olive Tablets while treating patients for chronic constipation and torpid livers.

Dr. Edwards' Olive Tablets do not contain calomel, but a healing, soothing vegetable laxative.

No griping is the "keynote" of these little sugar-coated, olive-colored tablets. They cause the bowels and liver to act normally. They never force them to unnatural action.

If you have a "dark brown mouth" now and then—a bad breath—a dull, tired feeling—sick headache—torpid liver and are constipated, you'll find quick, sure and only pleasant results from one or two little Dr. Edwards' Olive Tablets at bedtime. Thousands take one or two every night just to keep right. Try them. 10c and 25c per box. **druggists.**

ITALIAN TROOPS WILL FIGHT ON THE PLAINS OF PICARDY

Continued From Page 1
German bombardment. During the past week, 100,000 enemy shells have fallen. One day, 30,000 shells were thrown. The city is now a wilderness of scorched and blackened stones, with a few ghastly remains of houses. Streets have vanished under shattered walls. The famous buildings are a mass of cinders and the arched roof of the famous cathedral is splitting and crumbling. Only the pillars will soon remain.

With the British Armies in Flanders, April 19.—Through rain squalls and a cutting northeastern wind the Germans kept up their pressure on the Lys today. Evidence of the importance which Hindenburg attaches to the hills southwest of the Ypres is shown in the presence of enormous number of Bavarian corps and Alpine corps in the sector from Kemmel to Bailloul, a front of 23 miles. Men of these units are from German hill country. Von Reinhardt, who is in command, is renowned as a hill fighter.

Reserves Intact, Foch Says

Milan, Italy, April 19.—"We hold the Beghe waves but that is not sufficient. We will do something more." General Foch is quoted as saying in an interview published here today. "Our ample reserves are still intact. We are satisfied with the progress."

French Take 650 Prisoners

Paris, April 19.—Violent bombardment was reported in the region of Castel today by the French war office.

"Our attack there last night destroyed machine gun positions and our prisoners number 650," the statement said.

The divorce suit of Leona Tribbey against John Tribbey of Posey township has been sent to the Henry circuit court at Newcastle for trial.

A CONVERSATION

Between Mr. Doubtful and Mr. Right

Mr. Doubtful: "I don't see how I can buy any more Liberty Bonds. I bought all I could last fall. I'm not a rich man and I don't think it's fair or just to expect me to do anything more than I have done."

Mr. Right: "Let's see—your next-door neighbor's boy enlisted, didn't he?"

Mr. Doubtful: "Yes, he's over in France now. Mighty fine, stalwart boy, that!"

Mr. Right: "Exactly, and some day that splendid boy, the pride of his parents' hearts, may go 'over the top' in a gallant charge, stop a German bullet, and fall in the mud and debris of No Man's Land. Isn't that asking too much of him, and of his family? Is that 'fair'? Is that 'just'?"

Mr. Doubtful: "Why, it's awful, of course, but it can't be helped. This is war, and men have to be killed in it."

Mr. Right: "You've said it—this is war! To win the war it might be necessary for the government to take your factory away from you, and ruin your business. It might be necessary to take your house and turn you out in the street. What of that? Is that as great a sacrifice as your neighbor makes, or stands ready to make, when he gives his boy to his country? Yet you don't think it's your duty to pinch and save, and borrow if need be, in order to buy Liberty Bonds, and thus help shorten the war, make victory certain, and save the lives of thousands of American boys who will otherwise be uselessly sacrificed."

Mr. Doubtful: "I guess that's true, Mr. Right, I have been thoughtless. I'll stop complaining and criticising, and put up my last dollar if need be, to help win this war."

Bliss & Cowing

Bausback Sons & Company Make Improvements

Mr. Henry Bausback, business manager for the Robert Bausback Sons & Co. Reduction Plant, which is located and operated one and one-half miles west of this city, has recently contracted for a Modern Reduction Plant to be placed at the plant within the next thirty days. Improvements to be made are estimated at a cost of \$10,000.

The Company will endeavor to give the citizens of Rushville and Rush County prompt and immediate service—all calls are made promptly by truck.

This gives Rush County a new addition to be proud of, for after all improvements are made there is no doubt the Bausback plant will be the most Modern and Sanitary Reduction plant in the state.

Health As Good As Ever Before

Was All Run Down But Tanlac
Brought Good Health Back
Again

"I feel as well as I ever did since taking three bottles of Tanlac and I want to recommend this medicine for others," said Mrs. Charles Kirby, 733 North Capitol avenue, Indianapolis, Ind.

"I used to be bothered a bit with nervousness and my stomach was all out of order," Mrs. Kirby continued. "I was all run down and weak and didn't feel like doing anything."

"My stomach was in such bad shape that most any kind of food, especially rich foods, would cause gas to fill up my stomach."

"The nervousness was so bad that I couldn't sleep at night like I should have and didn't get much rest."

"I heard that Tanlac was good for such a condition, and finally I decided to try it. Three bottles of Tanlac have fixed my stomach up in good shape and have improved my health generally so much that I feel as good as I ever did."

"My nerves are back in good shape and I sleep fine every night and get good rest."

"Tanalac helped me when I was just about discouraged with myself and I recommend it for others."

Tanalac is made up of roots, barks and herbs and is entirely vegetable. It is excellent as a spring tonic. Take Tanlac this spring and get your system back in shape after the winter's hardships. You'll be in shape to really enjoy the summer then! You can get Tanlac at F. E. Wolcott's Drug Store or any other good drug store.

Try Tanlac Rheumatism Treatment for rheumatism. It is helping thousands of rheumatic sufferers and it will do for you what it is doing for others! You can get it at any good drug store.—(Adv.)

War Not 3,000 Miles Away

Secretary of War Baker is back from France and the trend of his interviews indicates that he has revised his opinion about the war being "3,000 miles away." The secretary should also take back what he said just before sailing for France, that the air program was five months ahead of schedule, for sworn testimony was given soon after he left the shores of America that we had built only one battle plane.

Anyway, the war secretary apparently has a new vision of the situation since his tour of the west front. He has given out a statement to the American expeditionary force in which he promised "to speed up the transportation of the remainder of the great army of which you are the vanguard." In connection with the statement, General Pershing gave out a statement to his forces in France:

"Adding my own high appreciation of the splendid spirit of the army, your commander in chief wishes to impress the officers and men with a keen sense of the serious obligation resting upon them, while giving fresh assurance of my confidence in your loyalty and courage and sincere devotion to your duty."

The "government" of Russia has addressed a note to the Entente Powers inquiring the interpretation which is to be put upon the landing of Japanese troops at Vladivostok. A little introspection on the part of Lenin and whoever is now associated with him in feebly functioning at Petrograd or wherever the Bolsheviks make their official habitat just now would reveal that the landing of the Japanese is directly due to the inability of the Bolsheviks to protect either their own interests or the interests which responsible governments generally have to assume with relation to other governments. In fact, the issue of a note of inquiry on any topic from the group who claim authority in Russia today is a tragic joke.

The appointment of Viscount Alfred Milner as British secretary for war indicates that there will be a more vigorous war policy. If Milner's reputation counts for anything, he is known as an efficient expert, a bomb for action and a man of quick decision who is ruthless in overcoming obstacles between him and success. He was the right hand man of Cecil Rhodes in building up the British empire in South Africa. Milner was educated in Germany and knows the German way of doing things.

The Woman's Franchise League of Indiana adopted resolutions at its closing session yesterday opposing the teaching of the German language in all public grade and high schools. Let's make it unanimous and really stop teaching it because nobody much seems to be in favor of teaching young America the tongue of a people who are guilty of such atrocious deeds as they have been guilty of.

"What have I not done to preserve the world from these horrors?" The kaiser is quoted as saying while on a tour of the western battle front. What he has not done would fill several books and what he has done to cause "these horrors" would make a good-sized library.

Russia continues to get a taste every day of that bitter peace Germany thrust upon her. Information is now that Ukraine is to be converted into a German province.

SO EASY! LIKE ROLLING OFF LOG

Sore, touchy corns stop hurting, then lift right out with fingers

You corn-pestered men and women need suffer no longer. Wear the shoes that nearly killed you before, says this Cincinnati authority, because a few drops of freezone applied directly on a tender, itching corn stops soreness at once and soon the corn loosens so it can be lifted out, root and all, without pain.

A quarter ounce of freezone costs very little at any drug store, but is sufficient to take off every hard or split corn or callus. This should be tried, as it is inexpensive and is said not to inflame or even irritate the surrounding tissue of skin. After you lift away the troublesome corn, the skin underneath is healthy and free from any germ or bacteria.

Why? The Anker-Holth Cream Separator

In the cream separator world there are no "just as good," but plenty of "substitutes," for Anker-Holth Cream Separators. In actual performance and operation, the Anker-Holth stands in a class by itself. It has no real competition, no equal. From the point of conservation, the Anker-Holth was born of necessity. Many farmer-dairymen had become tired—disgusted—with cream separators. They turned like pulling a sled on bare ground; the women folks objected to the drudgery of washing the "thing," and then every so often the bowl had to take a trip "back to the factory" to be "rebalanced" at an added expense to the first cost, all of which contributed to the "setting aside" of the cream separator, and thereby a loss of profit to the farmer-dairymen.

With the advent of the Anker-Holth a new enthusiasm for the use of the cream separator has arisen.

No more bowls out of balance, no more sweating and foaming at the handle, no more slavery in washing the "thing"—These former objections were swept away at one stroke when the Anker-Holth (self-balancing bowl) cream separator was given to the dairy world.

THE PEOPLES NATIONAL BANK
THE PEOPLES LOAN & TRUST CO.
RUSHVILLE, INDIANA

Mr. Robert Williams,
Galesburg, Mo.

December 27th, 1917.

Dear Sir:

You are right when you say in yours of December 24th that Senreco is a remarkably good tooth paste and that it has a strong story to tell, but the difficulty lies in putting that story in such language as will convince the public.

The Senreco story of a medicinal paste that not only cleanses the teeth but also keeps mouth and gums healthy, when put on paper does not sound very different from the story of just any ordinary dentifrice.

For that reason we make every effort to get the people to try Senreco. After that Senreco tells its own story - and fully 90% of them are Senreco users and boosters from then on.

There is a Senreco user in Pittsburgh who has introduced our product into the families of thirty-four of his friends. Enthusiasm? No, not entirely. Simply a case of Senreco making good. It is just as stated above. If they will try Senreco - if they once become acquainted with a real dentifrice - with what a dentifrice can and should be - they are Senreco boosters from that time on.

Your druggist or toilet counters can supply you with Senreco. It comes in large, two ounce tubes and retails at 25¢.

Why not get a tube to-day? Try it. We stand behind every package of Senreco with a money-back guarantee.

Very truly yours,
SENRECO,
CINCINNATI.

APPOINTED COUNTY EXPLOSIVES AGENT

John McCoy is Named on Recommendation of County Council of Defense—His Assistants

WHAT HIS DUTIES CONSIST OF

John A. McCoy, on the recommendation of the County Council of Defense, has been appointed chairman of the advisory committee for the regulation of explosives for this county by the government and has chosen Nathan I. Price for the southern part of the county and Joe Pike for the northern part as the members of his committee.

The duty of the committee is to gross, October 6, 1917, concerning carry out the law passed by Congress and to make sure that no hostile use is made of explosives in this county during the war. The committee members are to "act as intelligence observers for the locality and to take note of any disloyal remarks or actions. They are also to report explosions of unknown origin.

Mr. McCoy's instructions came from L. T. Osborne, United States Explosives inspector for Indiana and chairman of the national advisory committee.

RUSH COUNTY STANDS HIGH FOR SEALS SALE

Is Seventeenth in State on Basis of Number Sold Per Capita, Report Shows

RUSHVILLE ON HONOR ROLL

That Rush county's sale of Red Cross Christmas seals stands high among the other counties of the state is shown in the report recently received by Dr. W. S. Coleman, chairman of the county Anti-Tuberculosis society, giving the standing of each of the counties.

The county stands seventeenth in the state on the basis of the number of seals sold per capita, for with a reported population of 19,577, forty-two thousand, seven hundred and thirty-six seals were sold in the county, making 2.183 per capita. The head county Fayette, was 6.683, per capita.

Rushville is placed on the honor roll of towns for the exceptionally large number of sales, the number of sales per capita in the city being 6.564. During the campaign over the state, 6,309,887 seals were sold.

RUSHVILLE BARELY MISSES VISIT FROM FAIRBANKS

Continued From Page 1
tion to telling you that despite the fact T. J. G. has become one of the 79 mile guns in the film game, he still occupies a front row seat as a roofer for his home town.

It was a sorry day when Washington stepped in and changed Fairbanks' tour, for Kenosha, Wis., Oshkosh and a few other towns were disappointed.

But to divert from the subject of the "narrow escape" Rushville had from seeing Fairbanks in flesh and blood, Zeidman goes on in his letter to say a few nice things about Tom Geraghty.

"Geraghty is really doing wonders in the photoplaywright game," he says. "He is one of the leading three-finger writers who commands the respect and admiration of his celluloid associates. At the present time he has four new plays in production for Bessie Barriscale, Henry Walthall, Louise Glaum and J. Warren Kerrigan. He bought his own home and automobile last week, which confirms what I said about his aeroplane-like success.

"He is a great fellow among the big stars—always invited to play tennis with Fairbanks or to have tea with Charlie Chaplin or go hunting with Bill Hart. Really Rushville should be proud of one local boy who has made good away from home. He is writing a series of articles for Vanity Fair, the first one being an interview with Charlie Chaplin."

While out driving stop at the Handy drug store, Mays, for one of those Famous Mandy's Sodas. 312

CATARRH VANISHES

Here is One Treatment That All Sufferers Can Rely Upon

If you want to drive catarrh and all its disgusting symptoms from your system in the shortest possible time, go to your druggist and ask for a Hyomei outfit today. Breathe Hyomei and it will rid

you of catarrh; it gives such quick relief that all who use it for the first time are astonished.

Hyomei is a pure pleasant antiseptic, which is breathed into the lungs over the inflamed membrane; it kills the catarrh germs, soothes the sore spots, and heals all inflammation. Don't suffer another day with

catarrh; the disease is dangerous and often ends in consumption. Start the Hyomei treatment today. No stomach dosing, no sprays or douches; just breathe it—that's all. Ask JOHNSON'S Drug Store.—(Adv.)

City Comfort for Farm Homes

You can be warm all over. You don't have to be roasted on one side and cold on the other. You needn't lug coal from the cellar and carry ashes down from upstairs. You needn't get up in the cold to build fires. You needn't spend time and elbow grease cleaning soot from the ceilings. You -----

But what's the use? You know the advantages of a furnace without our telling you. You've gone without a furnace for the same reason that you've stood for off-year crops—because you thought you must. House already built; cellar not suitable or too expensive to cut holes in the house and install pipes. Nothing to it. Those objections are dead as last week's war bulletin.

Our wonderful invention makes furnace pipes unnecessary. The Caloric Pipeless Furnace can be installed in any house new or old because there are no pipes to put in. You need cut only one hole for the single register immediately above the furnace. The

(Patented) **PIPELESS CALORIC FURNACE** (Patented)

Burns coal, coke or wood and is guaranteed to save 35% of your fuel. This enormous fuel saving is secured by means of our double ribbed flue and high down draught chamber. Also there are no pipes to clean waste of heat.

The double ribbing of the flue enables us to secure uniform spaces on the inside without sacrificing strength. The uniform spaces permit free air circulation so that the coal is thoroughly burned and it also prevents soot collecting to decrease heat radiation.

Our firepot by reason of its special ribbed design and the single register burns 16,000 cubic feet more than the ordinary furnace. This flue is guaranteed for five years.

Our high combustion chamber provides for the burning of the carbon gases, ordinarily called soot, which otherwise would go out the chimney in the form of heavy black smoke. When you use the Caloric Pipeless Furnace you get heat in your house instead of soot on your roof. A clean house and a small coal bill.

A further fuel saving is made by the fact that no heat is lost in pipes, but comes through one register and is distributed through the house.

The Caloric Pipeless Furnace is also made in larger sizes for schools, churches, hall, etc. Just tell us what your heating problem is and we will show you how to solve it.

Look! Strong Guarantee!

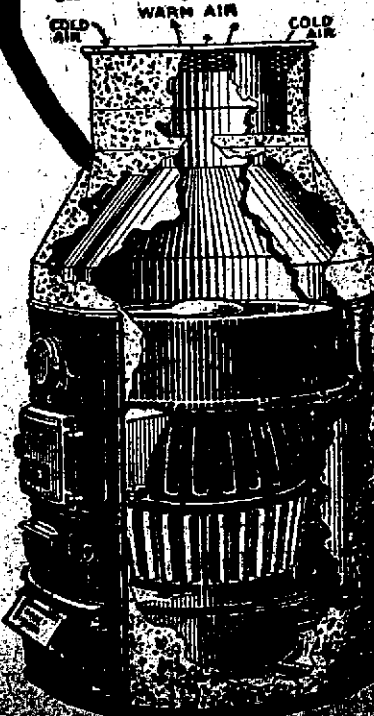

This is our daring method of proving to you what the Caloric Pipeless Furnace will do for you. We do not expect you to believe the strong points about this furnace on somebody's say-so, and therefore we make a guarantee offer that heretofore was absolutely unheard of in the furnace business. Here is our proposition:

You put the Caloric Pipeless Furnace in your house, school, hall or other building and give it a fair test. Workmanship, material and heating results are guaranteed. If anytime during the first year you find this Pipeless Furnace unsatisfactory, we will correct it. Nothing can be fairer than this.

Come In to See It

You cannot thoroughly appreciate the Caloric Pipeless Furnace unless you actually see it. We can easily prove to you that this furnace will heat your entire house with one pipe and only one register. We also want to tell you about the strong Caloric guarantee that absolutely protects you.

WAR AND WOMEN

We hear much these days of what the women are doing on the battle-line. How few American women are strong enough to go to the front and endure the hardships of the men!

Help is offered, and is freely given to every nervous, delicate woman, by Dr. Pierce's Favorite Prescription. Remember ingredients on label. No alcohol. In tablet or liquid form. All druggists. Tablets sell for 60 cents.

In "female complaint," irregularity, or weakness, and in every exhausted condition of the female system, the "Prescription" seldom fails to benefit or cure. Pains, internal inflammation and ulceration, weak back, and kindred ailments are cured by it, ask your neighbor. It's a marvelous remedy for nervous and general debility, insomnia, or sleeplessness.

Write Dr. Pierce, Pres. Invalids' Hotel, Buffalo, N. Y., for confidential advice and you will receive the medical attention of a specialist, wholly without fee—no charge whatever. Send 10c for trial pkg. "Favorite Prescription Tablets."

LAFORTE, IND.—"When approaching middle life I suffered severely. I had never before suffered with any sort of womanly weakness and I was very much afraid that the critical time would go hard with me, but one bottle of Favorite Prescription completely removed my pains and the change came on so easily that I was scarcely conscious of it. It is fifteen years since I took the 'Prescription' and I am just as strong and well as can be and have never had the least sign of weakness since.—Mrs. S. J. BAKER, 216 Scott St.

Watch For Tomorrow's Program

Fifty dollars was given to the Red Cross yarn fund today by the members of the Grand Club, who have volunteered to give up refreshments at their meetings and instead gave five dollars per member toward the fund. The decision to give up refreshments was made at a recent meeting shortly after Food Administrator Barnard's order was given asking that refreshments at a club meetings be abandoned.

The pledge of five dollars a member was handed in yesterday at the meeting of the club held at the home of Mrs. Chauncey Duncan and today was turned over to the Red Cross treasury. The next club meeting will be with Mrs. George Aufman.

Honoring their son Fred Osborn who was home on a furlough from Camp Shelby, Mr. and Mrs. L. B. Osborn entertained at their home Wednesday night with a dinner party. The dining room was arranged attractively with a profusion of greenery combined with summer flowers. In the center of the table a large platoon of sweet peas furnished an attractive decoration. Covers were laid for Miss Beatrice Austin, Mr. and Mrs. Chase Cross, Mr. and Mrs. Gruell of Cincinnati, Alfred Sharp, Link Gruell, Theodore Austin and Mr. and Mrs. Bert Osborne and sons. Private Osborn returned to camp yesterday afternoon.

In celebrating her sixth birthday, Elizabeth Stewart, the daughter of Mr. and Mrs. S. F. Stewart, entertained a number of her little friends at her home in North Perkins street yesterday afternoon. For the entertainment of the guests, a number of amusing games had been arranged. Late in the afternoon, the girls were seated at the table which was centered with a bright bouquet of spring flowers and on which a birthday cake stood bearing six candles. The guests were Judith Mauzy, Margaret Updike, Janet Cohee, Anna Rebecca Allen, Justine Green, Mar-

tha Wyatt, Louise Henry and Eleanor Stiers.

Letters from the mothers of the two little French orphans adopted by the members of the Daughters of the American Revolution were read at the meeting of the organization held at the home of Miss Leonora Norris yesterday afternoon. Deepest gratitude was expressed in the letters from the women for supporting the children. During the program of the afternoon, Mrs. Will Dill read an interesting paper, the theme of which was "Ancestry." Several matters of business importance were brought up during the business session. About 18 were present. The next meeting will be in one month with Miss Alice Norris.

A request was read at the meeting from the National committee asking that the Daughters of the American Revolution use their influence in urging women not to use colored yarns, other than gray and khaki. The plea was made that women do not use yarn for themselves in any way for sweaters, trimmings or yarn crocheting so that the supply will not be lessened and all of the yarn that can be turned out will go toward keeping the soldiers warm.

The bazaar to be given by the members of the Immaculata Sodality will be held some time during May, according to the decision made at the meeting of the Sodality held at the home of Miss Margery Geraghty last evening. The exact date has not been set. Last evening the members worked on the articles which will be sold at the bazaar. They will meet again in two weeks, the place to be announced later.

The women of the Social club unanimously voted at a meeting last night that no more pitch-in suppers or meals of any kind would be served at the club until after the war. There has been agitation in favor of renewing the club suppers, but it was definitely decided there was only one course open, and that was the one determined upon.

The meeting of Tri Kappa which was to have been held with Miss Fannie Stiers on Monday evening of next week will be held instead on Tuesday evening.

About sixty guests attended the delightful social given by the K. of C.'s in their hall last evening. During the course of the evening, the guests were entertained at euche.

The members of the Afternoon Bridge club spent a pleasant time yesterday afternoon as the guests of Mrs. Ben Humes. The eight club members spent the time playing Bridge and at the conclusion of the games, the hostess served a dainty luncheon. Mrs. Jack Knecht will have the next meeting of the club.

About twenty-five attended the meeting of the Ladies Aid society of the St. Mary's Catholic church held at the home of Mrs. Edward Caldwell in West First street yesterday afternoon. After the interesting business session, the ladies were busy with their knitting.

The members of the Thursday Afternoon Bridge Club spent a pleasant afternoon yesterday as the guests of Mrs. Frank Catt in North Perkins street. The afternoon was spent in playing cards. The club will meet again in two weeks.

The meeting of the Busy Bee class of the First Baptist Sunday school which was to have been held at the home of Lois Ethel Steffy tomorrow afternoon, has been postponed on account of the illness of Mrs. Steffy.

The members of Psi Iota Xi will meet this evening at the home of Mrs. Fred Arbuckle in West Second street.

John W. Eatkins, administrator of the estate of Cassie Ann Jefferson, has filed a petition in the circuit court to sell real estate to pay debts, naming Frank Jefferson, the defendant.

Rush County is over the top, but that does not release you from your obligation. Buy a bond and make her go way over.

Provide for the Children

We have assembled a wonderful variety of beautiful and practical read-to-wear garments for boys, girls, and misses of high school age. A mother's troubles are greatly lessened if she will but let us help her. Hundreds of boys' wash suits are shown, that are unusually attractive. Then for the little girls and larger misses, there is a splendid array of lingerie dresses, gingham dresses, silk dresses, sweater coats.

Are you patriotically conserving food? Please follow the government's requests and exert your influence on your neighbors.

Handsome Silk
Dresses

Oh, but they are pretty. There are no two alike, and each is a distinctive and exclusive model. Many of the elegant pastel shades are shown, besides the medium and dark colors. Georgette, crepe de chene, taffeta, satin, and silk gingham unite in the attractive display. We can fit any miss from 12 to 20, and ladies from 36 to 44. The prices range upward from \$10.00.

Wooltex Coats and Suits

for your summer wardrobe. It is more than simply fashionable to have a trim, light-weight coat or neat suit for summer. It is the most practical thing to do. You know how many purposes coats and suits can serve—how they save other clothes—how happy you can be all summer without extravagance. But much depends on the worth of the coat and suit you buy. You must be your own judge of value. The Wooltex label is your guarantee.

A score of beautiful skirts have recently arrived. It will delight you to see them.

BOY SCOUTS OPEN LOAN DRIVE HERE

Continued From Page 1
headquarters to show what success the Scouts are having with their campaign.

The participation of the Scouts is with the consent of the County Council of Defense, which urges the hearty support of their work. Every organization engaged in the bond drive has given an open field to the boys so that they may have every opportunity to make a good showing. The city is being districted and will be thoroughly canvassed.

The Liberty Loan drive will start in Walker township on Monday morning with an intensive campaign and a thorough canvass of every home in the township. On Sunday night, preceding the opening of the campaign a patriotic mass meeting will be held in the Christian Union church of Homer when a service flag will be presented honoring the Walker township boys who have entered the service.

Judge C. J. Orbison of Indianapolis will deliver a Liberty Loan address at the meeting. He has a wide reputation as a speaker. The Rev. P. O. Orrt will present the service flag and Judge Will M. Sparks will accept the flag for the boys and make a patriotic address.

Messages from the heads of the district loan campaign show that they are placing confidence in Rush county's ability to roll up a big oversubscription. A letter from G. H. Duncombe, director of sales for Indiana, states: "I am going to supplement my telegram by telling you more fully how much we appreciate the fact that your county has more than made its subscription and that your organization is still going on. The distribution which you have accomplished is evidence of a splendid organization. Will you accept my congratulations and extend them to your banks and co-workers?"

AGE NO BAR

Everybody in Rushville is Eligible. Old people stooped with suffering, Middle age, courageously fighting, Youth protesting impatiently; Children, unable to explain; All in misery from their kidneys. Perhaps a little backache first. Urinary disorders, dropsy may quickly follow.

Doan's Kidney Pills are for weak kidneys.

Are endorsed by thousands.

Here's Rushville testimony.

A. M. Younger, retired farmer, 828 W. Tenth St., says: "I have been using Doan's Kidney Pills off and on for about ten years and they have done me good. When a man gets as old as I, he is apt to have more or less trouble with his kidneys. At times, I have had a dull ache across the small of my back and my back has been weak and lame. Then the kidney secretions have begun too frequent in passage, making me get up at night. Every time I have been that way, I have bought a box of Doan's Kidney Pills at Johnson's Drug Store, and they have never failed to relieve me in a short time."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Younger had. Foster-Milburn Co., Mfgs., Buffalo, N. Y. (Adv)

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Younger had. Foster-Milburn Co., Mfgs., Buffalo, N. Y. (Adv)

Rasping Coughs eased with Dr. King's Discovery for Coughs & Colds

That wrenching, torturous tearing at the throat and lungs give away to ease and comfort through the prompt use of Dr. King's Discovery—the standard cough and cold remedy for 50 years. Keep it in hand and use freely. It goes right to the root of a cold—brings up the phlegm and eases the raw, feverish membranes. Containing balsam, it cools and soothes the sore parts. Just the thing for baby's croup. The kiddie likes it. Your druggist sells it.

Dizzy? Bilious? Constipated? Dr. King's new Life Pills cause a healthy flow of bile and rid your Stomach and Bowels of waste and fermenting body poisons. They are a Tonic to your Stomach and Liver and tone the general system. First dose relieves. Get a bottle today. all druggists.

complished is evidence of a splendid organization. Will you accept my congratulations and extend them to your banks and co-workers?"

Where You Always Buy For Less

Janesville Shovel Cultivators Will Fit Your Farm

The More You Use Them
the Bigger the Yield

This is one of the most simple two row Cultivators made. The seat is adjustable to nearly five feet back of the front shovels giving ample view of the work. The shovel gangs are guided by the foot bars which have extreme leverage. These foot guides pivot the wheels as well as shift the shovel gangs. It makes no difference how crooked the corn may be the JANESVILLE shifts so quickly and easily no hill need be disturbed.

When You Ride Janesville Cultivators
You Will Do Good Work.

—A union service of the Christian and Christian Union churches of Homer will be held on Sunday morning at the Christian Union church when the Rev. C. J. Ott will

Sour Stomach

Mi-o-na Puts the Stomach in Fine Shape in Five Minutes

If your stomach is continually kicking up a disturbance; you feel bloated and distressed; if you belch gas and sour food into the mouth, then you need Mi-o-na Stomach Tablets.

Mi-o-na stomach tablets give instant relief, of course, but they do more; they drive out the poisonous gases that cause fermentation of food and thoroughly clean, renovate and strengthen the stomach so that it can readily digest food without artificial aid.

Mi-o-na stomach tablets are guaranteed to end indigestion, acute or chronic, or money back. This means that nervousness, dizziness and biliousness will disappear. Drug-gists everywhere and Johnson's Drug Store sell Mi-o-na. (Adv.)

Amusements

Marguerite Clark Tonight

Marguerite Clark, winsome Paramount star-in speaking of her latest production, "Bab's Matinee Idol," which is to be shown at the Princess theatre tonight recently said: "It is truly remarkable how closely 'Bab's' escapades follow some of my own youthful boarding school experiences while at the Ursuline Convent, Cincinnati, Ohio.

"Bab, having been allowed as a special treat to witness a theatrical performance, immediately proceeds to fall violently in love with the handsome leading man. This, I must confess is exactly what happened to me at the age of fifteen for the first time. My diary contains pages and pages of description of 'him' and imaginary interviews which are so screamingly funny and make such good reading that I was thinking very seriously of publishing them, had not Rinehart's Bab so nearly paralleled them."

Jack Pickford and Louise Haft will appear in "Jack and Jill" and "Damaged No Goods," a comedy will be on the program tomorrow. "Brown of Harvard" is the Monday attraction.

At the Gem Theatre

The thrill of a vast nature is felt in every episode of "Vengeance and the Women," Vitagraph's new melodramatic serial, the fourth episode of which is the attraction at the Gem theatre today. Ninety per cent of the scenes are taken in the wildest recesses of the Sierras in southern California. William Duncan and Carol Holloway, the famous stars of the "Fighting Trail," take the leading parts in this amazing struggle with a band of outlaws.

preach on, "The Why of Christian Unity."

—Franklin Methodist: Preaching at 2:30 p. m. Matters of importance to come up demand the attendance of the whole membership.

—The services for the United Presbyterian church at Glenwood will be Sunday school at 1:30 and preaching at 2:15.

ATTEND ANNUAL MEETING

Representatives of Local Church at Presbytery Sessions

Mrs. C. S. Williams, a missionary from Bucaramanga, Colombia, was the principal speaker at the closing session of the annual meeting of the Women's Home and Foreign Missionary societies of the Whitewater Presbytery held at Richmond yesterday when a number of representatives from the local church attended. About fifty delegates from the cities in the district attended and heard a number of interesting missionary addresses. The meeting continued through Wednesday, and Thursday.

DON'T LET WORMS KILL YOUR HOGS

LOSSES FROM WORMS

Breeders and feeders of hogs, sheep, horses and cattle are familiar with most of the obstacles to be overcome in the breeding and feeding business, but as a matter of fact, there are fewer farmers and breeders who really know the extent of their losses from worms and indigestion in their hogs, sheep, horses and cattle than any other branch of the business.

If we were to tell you of the tons and tons of worms annually removed from the casings of hogs and sheep in the packing houses, you would hardly believe it but we can more than convince you if you will take a trip to the great packing houses and visit the department in which the casings are run and see for yourself these vast quantities of worms, you will then say "The half has not been told."

After you have seen this for yourself you will then realize as never before why it was that you lost so many young pigs; why it was your pigs and shoats did not do better and did not feed better; why you lost so many shoats or so many lambs, from what appeared to be some kind of disease (which was really worms) and why on other lots of shoats and lambs you did not get better gains and better profits from your grain, and you will see and understand as you never did before—why it is you need A REAL WORM EXPELLER and CONDITIONER.

ACME WORM BOUNCER will expel the intestinal and stomach worms from your hogs, sheep, horses and cattle.

R. G. WELLMAN
